92699

Hy-Jack & Stand Kit

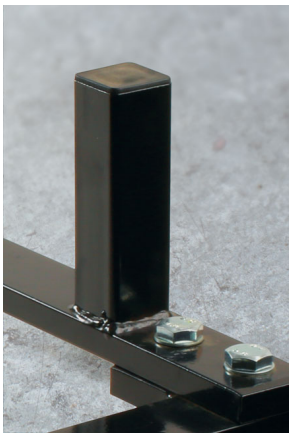

This kit comprises of a set of four hydraulic vehicle positioning jacks (2x Power-TEC Hy-Jacks, Part No. 92438), together with a mobile stand (Power-TEC Hy-Jack Stand, Part No. 92673) to store the Hy-Jacks when not in use. The Hy-Jacks easily fit around tyres lifting the car in seconds, allowing vehicles to be easily moved into required position. Due to their size, these Hy-Jacks are a great mobility solution for use in tight areas or for immobilised vehicles. With the stand designed to hold a set of four Hy-Jacks, allowing them to be safely stored and moved around the workshop to the vehicle on mass, saving time and space.

Additional Information
